

## OVER THE HEDGE

Come on  
Come on baby  
Grab it  
All right  
What  
Ow  
Hmmm Vincent  
No, no, no, Bad idea  
Just take what you need  
What's  
The moon's no full  
You woke me up a week early?  
Oh, no  
Don't tell me you're dumb enough to  
actually try and steal my stuff.  
Rj, I'm gonna have to kill you.  
Please, I'm just a desperate guy trying to  
feed his family.  
You don't have a family.  
I meant a family of one.  
Ok, wait, wait, wait, wait! Look, it's still in the  
cave.  
So, technically not stolen.  
Stop  
When!  
That was close.  
Vincent, wait!  
I can get it all back!  
That's right! If you eat me, you'd have to do  
it.  
But I can get it.  
All of it!  
My red wagon?

Redder! Ow.  
The blue cooler?  
Blue cooler, On my list!  
Gotta be blue?  
Yes!  
And I Want my Spuddies.  
I love those things.  
'Cause with a Spuddie, enough just isn't  
enough.  
So true, Painfully true.  
And I'll tell you what.  
I'm gonna get you the giant picnic pack,  
family-fun size.  
They have that?  
I'm pretty sure.  
All right, RJ.  
I'm going back to sleep.  
When that moon is full, I'm waking up.  
And all my stuff had better be right back  
where it was.  
But that's just one week! That's impossible  
for one guy!  
A week's perfect.  
I'll get some helpers.  
Full moon, all my stuff.  
And don't even think about running away.  
Because if you do I will hunt you down and  
kill you.  
Ok! Ok, buddy! You just rest easy, all right  
'cause I'm on it.  
Hey, in a week from now, we're gonna be  
laughing about this thing, Huh?
